

## ACCESSORIES

### WALL MOUNT

The wall mount is suitable for flexible installation of GIEBEL adsorbers in confined spaces. The wall mount is available for all Adsorber sizes as complete mounting assembly. Optional the wall mount consists of a hose pipe made of stainless steel for a flexible mounting of the adsorber. The wall mount is available made of stainless steel and is therefore suitable for the assembly of GIEBEL adsorbers regardless of conditions.

VERSION	DIAMETER	HOSE PIPE STAINLESS STEEL	SIZE A [mm]	SIZE B [mm]	SIZE C [mm]
